ABC'S OF TOURING MAINE- 2008 OFFICIAL MID-MAINE GUIDELINES

Touring Maine on your Harley is fun; collecting points for the 2008 ABC's of Touring Maine is also fun, and easy too. Simply follow these official guidelines and ride, ride, ride! This contest gives everyone an excuse to go for a ride - (as if we need one).

1. To enter the contest you must collect at least 25 photos. All photos must be taken in the State of Maine, in the year 2008, and all of the following elements must be included in EACH photo:
 - a. Your Harley-Davidson motorcycle (it must be driven, not trailered).
 - b. A copy of the 2008 ABC's of Maine Mid-Maine flyer (attached).
 - c. An "official" sign (as described below). The name must appear legibly in the photo.
 - d. You, if you're entering the contest as an individual, must be in at least 10 photographs. If you're entering as a couple, each of you must appear in at least five photos.
2. Complete the 2008 official Mid-Maine entry form (attached).
3. An "official sign" is:
 - a. A government building with the name of the city, town, county, etc. on it.
 - b. A sign posted by a government body, which lays within the boundaries of the place it identifies (mileage markers or directional signs are not allowed).
 - c. In the case of a dealership, state park, etc. the name of the place must be legible.
4. Photos:
 - a. Must be at least 2.5x3.5 and no larger than 5x7, B&W or color.
 - b. Same photo cannot be used more than once. Example, if you took a picture at a county line, and the sign also displayed the town line, you could only use it for one or the other—not both. (You could use that town by getting a different photo of a government building or sign.)
 - c. Either label the back of each photo with name, town/city, event, etc; or secure photos in a book and clearly label each entry.
 - d. You will receive one point for each qualified photo you collect per line item on the official entry form. Only one point per line item allowed.
5. Official entry form categories are all fairly self-explanatory except as follows:
 - a. Around Maine
 - Within this category is the State Capitol building—no sign will be necessary.
 - Maine State Rally —need the ABC's banner sign in the photo.
 - Group ride of 20+ bikes and Toy Run -- bikes only —no sign necessary.
 - b. Covered Bridges & Lighthouses—no sign necessary.
 - c. Solar System section - photo of bike, form and planet except Pluto and Sun which are in buildings for these photo of bike, form and building is what is necessary. This is largest map of the Solar System in the world.
6. Return your photo entries along with your completed official entry form to the Mid-Maine HOG Chapter by December 1, 2008 or at the December monthly meeting.
7. An ABC's of Maine patch will be given to all members who get at least 30 points.
8. First, Second and Third place will receive plaques. Names of the winners and some photos will appear in a 2009 newsletter and may also be displayed on the club bulletin board. Albums may also be made available for viewing. (Unused photos will be returned.)
